Type your home address for the shipping information. However note that your book will be shipped to the high school in August. Do not type in the school address anywhere. Also, please don't type in a homeroom teacher. If the books are here on time, you will be able to pick it up on registration day in August. If you are a senior, we can send you your book but would prefer if you come in to pick it up on that day.

You must make your payment in full.

You have until April 1<sup>st</sup> to order your yearbook.
