AWHS is proud to offer the 2009 edition of AW Summer Volleyball Camps. This year we will be offering two separate camps that will both introduce the new player to the game of volleyball and help to prepare the experienced player for the upcoming season.

The 2009 3rd, 4th, & 5th grade camp will focus on the fundamentals of volleyball, learning the rules of the game, and introducing team play. This camp is perfect for the young player and promises to be lots of fun.

The 2009 Skills Clinic is for girls entering the 6th, 7th, and 8th grade in 2009 and will concentrate on individual techniques including: serving, passing, setting, hitting, blocking, and digging. Time will also be devoted to team offense and team defense with all campers participating in tournament play.
