

THE TOLEDO SCIENCE CENTER

Hey Teachers & Students ...we need your help!!!

You used to know us COSI, but now we need a new name as we are reopening our science center.

The new science center will be an exciting, engaging, full body experience for everyone. Our mission is to create a sustainable science center that inspires in children the wonder of science and technology, preparing them for lives and jobs in our knowledge based economy.

Our science center will feature over 300 hands on exhibits and will provide educators with useful interactive activities, curriculum guides and experiments.

And you can be part of the new science center! What's the best and most creative name you can think of for the new science center?? We are looking for a name that would best describe the one-of-a-kind experience you will get at our science center.

Here is how you can help!

Pick your favorite way to send us your name idea:

- Mail: "Naming Entry," 1 Discovery Way, Toledo, OH, 43604.
- Online: www.toledosciencecenter.org
- E-mail: names@toledosciencecenter.org
- Fax: "Naming Entry," at 419-255-2674.
