

# Frankly Speaking

## **The Year is Winding Down!!**

I can't believe how fast the school days are flying by ☺☺

It is a very busy time of the year so please remind your child that we still have a lot to accomplish before summer vacation.

## **Thank you!**

Thanks to MAPS for a great teacher appreciation week. All your children made my week very special. I am very lucky to have this job and teach these wonderful students.

**AR:** Please make sure your child is reading an AR book each week. We will be taking quizzes every Tuesday morning. Students can take quizzes at anytime but remember Tuesday is our regular computer lab time. To check and see if your child has an AR book they can go to [ARbookfinder.com](http://ARbookfinder.com) and see if their book falls into the AR category.

## **OUTSTANDING BEHAVIOR!!**

We are trying to earn one more final party in third grade. The students voted on a milkshake party. We'll see how it goes. Please encourage your child to follow our B.E.A.R. rules and always do their best.

**Math:** Test over Fractions and Decimals Wednesday May 12<sup>th</sup>. I have told the students which pages in their math book are helpful to review.

**Reading:** We read a true story called **Chibi**. This story takes place in Tokyo, Japan. This week will read **Brave Irene**.

In **Language Arts** we have been busy writing letters and studying verbs.

**Social Studies:** Finish reading Chapter 9. Begin chapter 10 and 11.

**Science:** We are learning about simple machines. We have discussed levers, pulleys and wheel and axles. Next we will learn about screws, incline planes, and a wedge.

**Spelling:** Please put words in ABC order this weekend in cursive, and write them in the assignment book. Thanks!!!

**State Report:** Last day to trace states is May 12<sup>th</sup>. Reports are due Monday May 17<sup>th</sup>.

**We will be taking our Field Trip Friday May 28<sup>th</sup>. The students will be cruising down the Maumee River on the Sandpiper. This is a very fun trip we take to learn more about our local Social Studies standards. We will be traveling with Mrs. Blaesing's class. Due to the number of students and the size of the boat we are not able to take parent volunteers.**
