

# Frankly Speaking

OAA Testing is this Tuesday. Please do not schedule appointments for this day. Make sure your child gets plenty of rest and has a good breakfast next.

Congratulations to **Blaine Instone and Jerzy Zito** for being chosen as star students. We have been busy filling their buckets by letting them know how great they are 😊

**Thank you** for all the snack donations to our class. Students may bring in a healthy snack daily but we will always have a class snack in case they forget.

## **OUTSTANDING BEHAVIOR!!**

The students have voted on a pizza party for our next celebration in room 102. We'll keep you posted on our progress.

**Math:** We will have a math test this week. This test will cover place value, rounding, and addition and subtraction.

**Reading:** This week we will read **Fly Traps**. The students have been very busy with unit 1 assessments this week.

In **Language Arts** we will take unit 1 pre-test and post-test. The pre-test will come home as a study guide.

We are reading chapter one in **Social Studies**. Our first unit is all about communities. We will continue reading Lesson 2, 3, and 4. We have also been working on map skills.

**In Science:** We have been comparing the moth and butterfly. We will continue studying insects and making

bug books. In our bug books we will compare adult bugs and baby bugs and learn about insects that go through an incomplete metamorphosis.

**Spelling:** A new 4-week list was sent home last week. Please continue to put words in ABC order.

**Book Reports:** YEAH!! All students have their books approved. Continue to read your mystery book. Note cards are coming home this weekend. Reports are **due Monday October 26<sup>th</sup>**.

**Turkey Project:** Please read the attached letter. The turkey pattern is attached. Writing will take place at school. I have discussed this project with the students. Let me know if you have questions. The students really enjoy this project!! **Turkeys are due Friday October 23<sup>rd</sup>**.

**Book-It:** We will have a classroom reading incentive program this year. It is a little different from book-it in that the prizes will be different. Please encourage your child to read at home. Students will fill out the attached reading log and return it to school signed by a parent by the end of the month. I have explained this program to your child. This is for at home reading only.

# Frankly Speaking
