

# Frankly Speaking

**Bio-Project/Wax Museum:** The big night is almost here!! Our annual 3<sup>rd</sup> grade wax museum will be Tuesday March 2<sup>nd</sup> from 6:30-7:00 in the Monclova Primary Community room. Please make sure your child has all of their items, (costume, props, tri-fold/poster boards, and note cards) at school by this Wednesday February 24<sup>th</sup>. The students now have my permission to turn their cards into 1<sup>st</sup> person speech. For example...instead of saying Maria Tallchief was a prima ballerina you would say...I was a prima ballerina. We will begin our oral reports for the class on Wednesday morning. I will draw magic numbers and that will be the order we report in. Everyone should be ready by Wednesday. Let me know if you have questions. Thanks.

Congratulations to **Claire Sample** for being chosen as star student. We have been busy filling her bucket by letting her know how great she is☺

**Thank you** for all the snack donations to our class. I would like to thank all the families who donated items for our Valentine party.

**AR:** The students seem to be very excited about our accelerated reader program. Several students have already taken quizzes. Please make sure your child is reading an AR book each week. We will be taking quizzes every Tuesday morning. Students can take quizzes at

anytime but remember Tuesday is our regular computer lab time.

**Midterms and Conferences:** Spring Conferences are Tuesday February 23<sup>rd</sup>. If you did not receive a note from me then just assume there is no conference scheduled for your son or daughter. The same holds true for mid-term grade cards. If you did not receive a mid-term grade card then there are no concerns at this time.

## **OUTSTANDING BEHAVIOR!!**

We are now working to earn our cookie cake party. So far we have earned the letters cookie cak~Great Job!! We are making great progress.

**Math:** Wow! The students did an excellent job on their geometry test. We will continue working on division 0-5 and multiplication 6-9. We will be having our sundae party Friday March 5<sup>th</sup>. We will also begin our chapter on fractions and decimals.

**Reading:** We will have our bio-reports this week and then next week we will read **Sam and the Lucky Money.**

In **Language Arts** we will finish up typing our bio-reports.

**Social Studies:** We will begin reading Chapter 6. There will not be a test on this chapter. We will then move on to chapter 7, which talks about government.

# Frankly Speaking

**Science:** We have been reading stories about different rocks and discussing how hard they are. Next, we will scratch different rocks to study their hardness.

**Spelling:** All spelling is to be done in cursive writing now!!! Please continue to put words in ABC order in the assignment book.

**Book-It:** Book-it will be due March 1<sup>st</sup>. Please note that March is the last month for Book-it. Keep reading. You can read AR books for Book-It too. Book-it will continue through February and March.

Ice Cream Sundae Party is tentatively scheduled for Friday March 5<sup>th</sup>. We will celebrate knowing our math facts 0-5 and we will celebrate the completion of the wax museum project. More information coming home soon ☺☺
