TRANSPORTATION REQUEST

ANTHONY WAYNE HIGH SCHOOL STUDENTS

This form must be completed and signed by a parent/guardian if a student intends to be transported by school bus for the current school year. In order to efficiently schedule high school transportation the school district requires the following information. The school district will transport all high school students who complete the form and meet all other eligibility requirements. Students who will be driving to school or who will be transported by another method (parent/guardian, sibling) on a regular basis **should not** complete this form and will not be scheduled for school bus pick up or drop off.

Please complete one form for each student in a household:

Student name _____ Grade _____

Student address _____

City/zip code _____

Home phone _____ Emergency phone _____

Parent's e-mail address _____

Please check the bus transportation that you are requesting.

_____ I request morning transportation only.

_____ I request afternoon transportation only.

_____ I request both morning and afternoon transportation.

_____ Parent/Guardian Signature

_____ Date

The school district must have this information by August 1 in order to complete routing and provide each student with accurate pick up times.

Students who return this information **after** the deadline will not be included in the initial routing process. Those students will have to provide their own transportation until they receive a pick up and drop off location from the Transportation Department. If you have questions, call the Transportation Department at 419-877-0451.

Please return this form to the high school office if you plan to ride a school bus in the current school year.
