Please remind your child that it is still winter and spring coats are not warm enough.

Kindergarten Registration...It's time to register children who will be entering kindergarten this fall. Please call the district Central Administration Office @ 419-877-5377 to schedule an appointment (The earliest calls will get the best choice of appointment times.) You will be assigned an appointment between now and March 25th. Registration forms and information can be found on the district website (see address above).

Important information for Parents of 2010-11 Kindergarten Students...Watch for an important letter to arrive in your mail in Mid April regarding an informational meeting for parents only which will be held in the Community Room @ 7pm on May 6th & information regarding the June 9th Kindergarten Screenings. Both of these events will take place at Waterville Primary.

Is your child missing one boot, a hat, lunch box, shoes, book bag, or library book? It's very possible that it might be hiding in the lost and found container that sits outside the office. There are some valuable items hiding in there. Writing your child's name on his/her possessions could help save you money replacing these items. Please feel free to stop in and check out this treasure chest of lost items!

Afternoon Dismissal... Please remember that kindergarten students and their siblings are the only students that are to be picked up at the front door. Our students in Grades 1-4 are to be picked up in the back of the building (south/teacher parking lot). Also, please keep the line of cars moving at the front of the building. If your child is not waiting for you, please circle back around.

Publishing Center News.... Congratulations to the following students who had their books published in the General Publishing Center during the month of January: Morgan Bowers and Cameron Kottenbrock. Both Morgan and Cameron are students in Mrs. Prayter's third grade class.

From our Music Director.... This is just a reminder that you, your family, and your friends are invited to our fourth level concert, 'A Child's Night at the Pops,' on Thursday, March 18th, at 2:15 and 7:00 P.M. All fourth level students are expected to attend. Just a reminder about dress: during the day time and evening concerts, girls are to wear dresses and skirts and boys are to be in a shirt with a tie. The students will need their "black and white" outfit for both concerts as well. A reminder letter with more information will be arriving at your home late this week or early next week. As always, if you have any questions, comments, or concerns, please feel free to contact me. Sincerely, Mrs. Dentel

Attention all after school musicians ages six through ten:

On Monday, May 3rd, the Waterville Rotary will sponsor their annual spring pancake supper here at our school from 5:00-7:0 P.M. to earn money for many projects they offer in our community. (As one of their projects, they give each of our third level students their own dictionary each year.) We are always invited to have students perform on stage as dinner music for this supper. If your student takes piano or music lessons of some sort after school at least once a week, and your student is interested in performing at the pancake supper, would you please send the following information to me at school by Friday, March 12th? I will then send additional information about this special performance opportunity. Thank you so much for your help. Sincerely, Mrs. Dentel

Attention Third Level Parents:

(As one of their projects, they give each of our third level students their own dictionary each year.) We are always invited to have students perform on stage as dinner music for this supper. In addition to having those who take after school music lessons perform that evening; I welcome any third level student to perform that night as well. Information about this musical performance will be coming home later this week. Those wanting to perform will be asked to return a signed permission slip. Thank you so much for your help. Sincerely, Susan Dentel

From the Principal.... As you are aware, we have a “Verb of the Week” every week here at Waterville Primary. Everywhere the children go throughout the week (Art, Music, Library, lunch, recess, etc.), the teacher in charge will be concentrating on the “Verb of the Week”. The Verbs of the Week for the month of March are *describe*, *compute* and *apply*. Please reinforce “Verb of the Week” at home.

Please keep us updated.... of any changes in your work, home and cell phone numbers in addition to any changes involving your emergency contacts. *Please do not underestimate the importance of this information.* In the case of an emergency, the accuracy of this information can be crucial. If you have not already done so, please return the student information update forms that were sent home as soon as possible.

If you have a change of address, you must contact the Central Administrative Office immediately to make them aware of this change. Change of Address forms can be found on the district website. Proof of residency must be supplied and changes in transportation needs to be requested a minimum of 72 hours in advance. Please alert your child’s teacher to any changes in transportation pertaining to your move.
